## 2025-2026 Admissions Policy

*Applications under this policy will generally be for children to start at the school in Year 7 in September 2024 as part of the normal admissions round.*

*However, this policy also covers in year admissions and deferrals/delays to admissions and accelerated admissions*

---

If you are making an application under the priority for a previously looked after child, you will need to complete/provide the relevant documentation/information specified by your home local authority in accordance with their specified requirements

To be given priority on this basis, the Trust would have to be satisfied that the child's social or medical needs were such that the school would be the most suitable school for the child.

In order to be eligible for consideration under this criterion, you will need to submit a completed Supplementary Information Form as outlined in section 2(b) above. The Supplementary Information Form will need to be accompanied by professional supporting evidence, provided by a doctor, specialist, health professional or social worker (as appropriate) setting out:

- The relevant needs and;
- How those needs would affect the child's education or ability to get to school; and
- The particular reasons why the school would be the most suitable for the child as a result e.g. the difficulties that would be caused if the child had to attend another setting.

The Trust will raise an appeal if they deem appropriate requiring their assessment.

121 places will be available for those applicants satisfying the requirements for the remaining places) number of places offered under this criterion will be determined by the number of places remaining.
